Bill for registration of marriages

†814. SHRI GIREESH KUMAR SANGHI: Will the Minister of LAW AND JUSTICE be pleased to state:

(a) whether Government have considered bringing a bill for making registration of marriages. compulsory in consultation with the various communities;

(b) if so, the details thereof; and

(c) whether the bill is proposed to be brought in the Parliament in the near future?

THE MINISTER OF STATE IN THE MINISTRY OF LAW AND JUSTICE (SHRI K. VENKATAPATHY): (a) to (c) On the recommendations of National Human Rights Commission and National Commission for Women and as per the Supreme Courts Judgment in the matter CWP No. 291/2005 in Smt. Seema Vs. Ashwani Kumar, the proposal to enact a suitable legislation relating to Compulsory Registration of Marriages is under consideration with the Government. In View of the importance and complexity of the matter, it may take some more time before a Bill could be introduced in Parliament.

Mineral deposits in Rajasthan

815. SHRI RAMDAS AGARWAL: Will the Minister of MINES be pleased to state:

(a) whether the Geological Survey of India has in its latest survey, traced huge deposits of gold, platinum, cobalt, copper, zinc, silver and other metals worth thousands of core of rupees in Rajasthan;

(b) if so, the details thereof, location-wise and metal-wise; and

(c) the approximate quantity of those metals and minerals reserves likely to be made available and the time required for exploration thereof?

THE MINISTER OF STATE IN THE MINISTRY OF MINES (DR. T. SUBBARAMI REDDY): (a) and (b) Geological Survey of India (GSI) has discovered deposits of gold and copper in Rajasthan in its last field season programme [October'05 to September'06]. Location-wise and metal-wise details are as under:

Gold — Bhukia in Banswara district.

Copper — Gangas, Rajasamand district, Dokan and Kundla-ki-Dhani, Sikar district.

The resource estimations made by GSI for these minerals is given below:

(i) A resource of 0.80 million tonnes of copper ore with 0.5% Copper in Gangas, Rajsamand district.

(ii) A resource of 12.04 million tonnes of copper ore with 0.39% Copper in Dokan, Sikar district.
